

USG DANOLINE DIRECT MOUNT PANELS
PLAFON USG DANOLINE DE MONTO DIRECTO

USG's name, the USG product details contained herein are intended for use as product reference material by architects, engineers, other design professionals, contractors, building code officials, or other competent construction industry trade professionals having an interest in the selection, specification and use of products manufactured by the subsidiaries of USG Corporation. The drawings are intended solely as technical support incident to the sale and use of USG products and not intended to be a substitute for the design review and approval of the licensed design professionals for the project. These materials may be printed and/or transferred electronically solely as needed by the user, because CAD electronic files and BIM building information modeling files can be modified by other parties without notice or indication of such modifications. Modification of USG product CAD drawings is the sole responsibility of the design professional.
